

UDIT MALIK

Law Student (5th Year),
Author and Human Rights
Activist

INTRODUCTION

A law and politics aficionado, his interest and knowledge in World Affairs is a force to reckon with. As said about the power of his words, he's an amazing orator with exceptional skills of conviction and perseverance. Indulge in a conversation and you might seek something which you might not have heard. He believes in cracking a different approach to every possible ordinary thing that a person does.
